VOLUNTARY ANNOUNCEMENT INCREASE IN SHAREHOLDING BY CHIEF FINANCIAL OFFICER

This announcement is made by 3SBio Inc. (the “**Company**”) on a voluntary basis.

The board of directors (the “**Board**”) of the Company hereby announces that it has recently received a report from Mr. HE Xiang (“**Mr. He**”), the chief financial officer of the Company, stating that since 1 January 2024 and up to the date of this announcement, he has cumulatively increased his shareholding by an aggregate of 3,000,000 ordinary shares of the Company (the “**Shares**”) at the average price of approximately HKD5.99 per Share through centralized bidding, representing approximately 0.12% of the total issued Shares.

Mr. He has indicated to the Board that he will further increase his shareholding actively subject to market conditions and applicable legal and regulatory requirements as he considers that the Shares have been undervalued for a long time and based on his long-term confidence in the business and prospects of the Company. The further increase in shareholding may be affected by factors such as changes in policies and market conditions as well as the funding situation, which leaves a risk of delayed implementation or failure to complete.

Mr. He confirmed to the Board that he was not aware of any inside information regarding the Company while increasing his shareholding in the Company. The increase in shareholding referred to in this announcement is made by the chief financial officer of the Company voluntarily. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares.
