INSIDE INFORMATION

AND

PROFIT WARNING

This announcement is made by Golden Resources Development International Limited (the “Company” and together with its subsidiaries, the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, the Laws of Hong Kong) (the “SFO”).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group, it is expected that the Group may record a loss attributable to shareholders of the Company of approximately HK\$4.6 million for the six months ended 30 September, 2024, as compared to a profit attributable to shareholders of approximately HK\$82.3 million for the corresponding period in 2023.

Based on the information currently available, the Board considers that the expected change from profit to loss was mainly attributable to the combined effects of : (i) a deficit of approximately HK\$13.9 million on revaluation of investment properties for the six months ended 30 September, 2024, as compared to a surplus of approximately HK\$79.8 million for the corresponding period in 2023; and (ii) the overall selling and distribution costs increased by approximately HK\$16.5 million. The aforementioned factors were partially offset by (iii) the decrease in tax expense of approximately HK\$24.2 million as compared with the corresponding period in 2023.

The Company is still in the process of finalizing the interim results for the six months ended 30 September, 2024. The information contained in this announcement is only a preliminary review by the Directors of the Group. Such information is not based on any figures or information which has been audited or reviewed by the Company’s auditors and may be subject to adjustments. The Company’s unaudited interim results for the six months ended 30 September, 2024 are expected to be announced by the end of November 2024.

Shareholders and potential investors are therefore advised to exercise caution when dealing in the shares of the Company.
