### **PROFIT WARNING**

This announcement is made by King's Stone Holdings Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on preliminary review of the unaudited consolidated management accounts of the Group, the Group is expected to record an unaudited net loss within the range of approximately HK\$62 million to HK\$64 million for the six months ended 30 September 2024 (the “**Period**”) as compared to a net loss of approximately HK\$2.4 million for the six months ended 30 September 2023.

The Board is of the view that such expected net loss was mainly attributable to the aggregate effect of the following:

- (a) decrease in revenue due to the intense market competition led to a smaller number of successful tenders and lower value of contracts awarded; and
- (b) increase in administration expenses and increase in discretionary bonus to staff.

The information contained in this announcement is based only on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2024 and the information currently available, which have not been audited or reviewed by the Group's auditors or the audit committee of the Board and may be subject to adjustments. Shareholders and potential investors of the Company are advised to refer to the details in the interim results announcement of the Company for the six months ended 30 September 2024, which is expected to be published in November 2024 in accordance with the Listing Rules.

**Shareholders of the Company and potential investors should exercise caution when dealing in the securities of the Company.**
