POSITIVE PROFIT ALERT

This announcement is made by Chi Ho Development Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2024 and the information currently available, the Group is expected to record a consolidated net profit in the range between HK\$8.0 million and HK\$10.0 million for the six months ended 30 September 2024, as compared to the consolidated net profit of approximately HK\$6.1 million for the six months ended 30 September 2023.

The expected increase in consolidated net profit for the six months ended 30 September 2024 was mainly attributable to the increase in revenue from mixed projects and new capital works, resulting in an increase in both total revenue and gross profit. The effect was partially offset by the increase in net impairment losses under expected credit loss model.

The Company is in the process of finalising the interim results of the Group for the six months ended 30 September 2024. The information in this announcement is only based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2024 and the information currently available. The unaudited consolidated management accounts of the Group for the six months ended 30 September 2024 have not been finalised and the information in this announcement has not been reviewed by the audit committee of the Company. The actual interim results of the Group may be different from the information disclosed in this announcement. Shareholders of the Company and potential investors are advised to read carefully the interim results announcement of the Group. The unaudited interim results of the Group for the six months ended 30 September 2024 are expected to be published on or around 28 November 2024.
