Dear Sir or Madam,

**THE PROPOSED RIGHTS ISSUE ON THE BASIS OF
ONE (1) RIGHTS SHARE FOR EVERY TWO (2) EXISTING SHARES
HELD ON THE RECORD DATE**

INTRODUCTION

Reference is made to the Announcement and the Company's announcements dated 1 November 2024 and 15 November 2024 in relation to the Rights Issue.

LETTER FROM THE BOARD

It was announced that the Company proposed to raise not more than HK\$30,802,000 before expenses by way of the Rights Issue to the Shareholders. The Rights Issue is not underwritten and involves the issue of up to 77,005,000 Rights Shares at the Subscription Price of HK\$0.40 per Rights Share on the basis of one (1) Rights Share for every two (2) existing Shares in issue on the Record Date.

The purpose of this Prospectus is to provide you with, among other things, (i) further details of the Rights Issue, including the procedures for acceptance and payment and/or transfer of the Rights Shares provisionally allotted to you; (ii) certain financial information of the Group; and (iii) other information in respect of the Group.

Issue statistics

Basis of the Rights Issue:	One (1) Rights Share for every two (2) existing Shares held on the Record Date
Subscription Price:	HK\$0.40 per Rights Share
Number of the existing Shares in issue as at the Record Date:	154,010,000 Shares
Number of Rights Shares to be issued under the Rights Issue:	Up to 77,005,000 Rights Shares (assuming no new Shares are issued or repurchased on or before the Record Date)
Aggregate nominal value of the Rights Shares:	Up to HK\$7,700,500 (assuming no change in the number of Shares in issue on or before the Record Date)
Maximum enlarged issued share capital upon completion of the Rights Issue:	231,015,000 Shares (assuming no Shares are issued (other than the Rights Shares) or repurchased on or before the completion of the Rights Issue)
Maximum proceeds to be raised under the Rights Issue before expenses:	HK\$30,802,000 (assuming no Shares are issued or repurchased on or before the Record Date)

As at the Latest Practicable Date, the Company has no other outstanding convertible bonds, options, derivatives, warrants, conversion rights or other similar rights entitling holders thereof to subscribe for or convert into or exchange for new Shares.

LETTER FROM THE BOARD

Assuming no Shares are issued or repurchased on or before the Record Date, the maximum number of 77,005,000 Rights Shares to be issued pursuant to the terms of the Rights Issue represents 50.0% of the total number of the existing issued Shares as at the date of this prospectus and 33.3% of the total number of the issued Shares as enlarged by the allotment and issue of the Rights Shares immediately upon completion of the Rights Issue.

Non-underwritten basis

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares. In the event the Rights Issue is not fully subscribed, any Rights Shares not taken up by the Qualifying Shareholders and the NQS Unsold Rights Shares will be placed to independent places under the Compensatory Arrangements. Any Unsubscribed Rights Shares or NQS Unsold Rights Shares remain not placed under the Compensatory Arrangements will not be issued by the Company and the size of the Rights Issue will be reduced accordingly. There is no minimum amount to be raised under the Rights Issue under Cayman Islands laws.

As the Rights Issue will proceed on a non-underwritten basis, the Qualifying Shareholder who applies to take up all or part of his/her/its entitlement under the Provisional Allotment Letter may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code. Accordingly, the Rights Issue will be made on terms that the Company will provide for the Qualifying Shareholders to apply on the basis that if the Rights Shares are not fully taken up, the application of any Qualifying Shareholder (except for HKSCC Nominees Limited) for his/her/its assured entitlement under the Rights Issue will be scaled down to a level which does not trigger an obligation on part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance to the note to Rule 7.19(5)(b) of the Listing Rules.

Undertakings

The board of directors of the Company has not received any information or irrevocable undertaking from any substantial shareholder of the Company of any intention in relation to the Rights Shares to be provisionally allotted to that Shareholder under the Rights Issue as at the Latest Practicable Date.

Subscription Price

The Subscription Price of HK\$0.40 per Rights Share is payable in full when a Qualifying Shareholder accepts his/her/its provisional allotment under the Rights Issue or when a transferee of Nil Paid Rights accepts the provisional allotment of the Rights Shares.

The Subscription Price represents:

- (i) no discount/premium to the closing price of HK\$0.40 per Share as quoted on the Stock Exchange on the Latest Practicable Date;

LETTER FROM THE BOARD

- (ii) a premium of approximately 37.9% to the closing price of HK\$0.290 per Share as quoted on the Stock Exchange on the Last Trading Day;

- (v) a premium of approximately 12.1% to the theoretical ex-rights price of approximately HK\$0.325 per Share based on the closing price of HK\$0.290 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (vi) a discount of approximately 65.5% to the audited consolidated net asset value attributable to the Shareholders as at 30 June 2024 as extracted from the annual results of the Company for the year ended 30 June 2024 of approximately HK\$1.158 per Share; and
- (vii) there is no theoretical dilution effect (as defined under Rule 7.27B of the Listing Rules) as there is a premium of approximately 12.1%, represented by the theoretical diluted price of approximately HK\$0.325 per Share to the benchmarked price of approximately HK\$0.290 per Share (as defined under Rule 7.27B of the Listing Rules, taking into account the higher of (i) the closing price of the Shares as quoted on the Stock Exchange on the Last Trading Day; and (ii) the average of the closing prices of the Shares as quoted on the Stock Exchange for the five (5) previous consecutive trading days prior to the Last Trading Date).

The Subscription Price was determined with reference to, among other factors, (i) the prevailing market price and recent trading performance of the Shares which includes the daily closing price and daily trading volume of the Shares during the six months prior to the Last Trading Day, where the closing price of the Shares demonstrated an overall downward trend from HK\$1.70 per Share on 19 April 2024 to HK\$0.290 per Share on the Last Trading Day with an average daily trading volume amounting to approximately 2.6% of the total issued Shares as at the Last Trading Day, which indicated a lack of liquidity and demand for the Shares; (ii) the latest business performance and financial position of the Group, particularly the consecutive loss-making performance of the Group; (iii) the current bearish Hong Kong stock market condition, which is evidenced by the bearish performance of the Hang Seng Index ranging from 16,224 on 19 April 2024 to 20,804 on the Last Trading Day and closing under 20,000 majority of the time during the six months ending on the Last Trading Day; (iv) the Directors' view that it is reasonable to set the Subscription Price at a discount to the consolidated net asset value per Share attributable to the Shareholders as described above in order to enhance the attractiveness of the Rights Issue and encourage the Qualifying Shareholders and investors to participate, given

LETTER FROM THE BOARD

that the challenging market conditions, unfavourable price trend and lack of liquidity of the Shares; (v) the relatively large fundraising size when compared with the market capitalisation of the Company as at the Last Trading Day; and (vi) the reasons and benefits of the Rights Issue as discussed in the section headed “Reasons for the Rights Issue” in this Prospectus. The Share prices of the Company decreased by 67.9% and 27.8% on 23 September 2024 and 24 September 2024, respectively. The Board confirmed that it was not aware of any reason for such unusual Share price movements.

In view of the above, and having considered that all the Qualifying Shareholders will be offered equal opportunity to subscribe for the Rights Shares by way of provisional allotment, the Directors (including the independent non-executive Directors) consider that the terms of the Rights Issue and the Placing Agreement, including the Subscription Price, are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

The theoretical dilution price and the benchmarked price for the Rights Issue are approximately HK\$0.325 per Share and HK\$0.290 per Share, respectively. There is no theoretical dilution impact of the Rights Issue and is in compliance with Rule 7.27B of the Listing Rules.

Status of the Rights Shares

The Rights Shares (when allotted, issued and fully paid) will rank *pari passu* in all respects with the existing Shares in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions which may be declared, made or paid with a record date falling after the date of allotment and issue of the Rights Shares in their fully-paid form.

Qualifying Shareholders

To qualify for the Rights Issue, a Qualifying Shareholder must be registered as a member of the Company on the Record Date and not being a Non-Qualifying Shareholder. In order to be registered as members of the Company on the Record Date, all transfers of Shares (together with the relevant share certificate(s)) must be lodged with the Registrar by not later than 4:30 p.m. on Friday, 25 October 2024. The last day of dealings in the Shares on a cum-rights basis is Wednesday, 23 October 2024 and the Shares have been dealt with on an ex-rights basis from Thursday, 24 October 2024.

Beneficial owners whose Shares are held by nominee companies (or which are deposited in CCASS) should note that the Board will regard a nominee company (including HKSCC Nominees Limited) as a single Shareholder according to the register of members of the Company.

The Company despatched the Prospectus Documents to the Qualifying Shareholders on the Posting Date.

LETTER FROM THE BOARD

Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing the Provisional Allotment Letter and lodging the same with a cheque or banker's cashier order for the Rights Shares being applied for with the Registrar on or before 4:00 p.m. on the Latest Acceptance Date.

The Qualifying Shareholders who take up their provisional allotment in full will not experience any dilution to their interests in the Company (except in relation to any dilution resulting from the taking up by third parties of any Rights Shares arising from the aggregation of fractional entitlements). **If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.**

Basis of provisional allotment

The basis of the provisional allotment shall be one (1) Rights Share for every two (2) existing Shares held by the Qualifying Shareholders on the Record Date at the Subscription Price payable in full on acceptance and otherwise on the terms and subject to the conditions set out in the Prospectus Documents. For example, if a Shareholder holds 5 existing Shares, this Shareholder will be entitled to receive 2 Rights Shares (based on the aforesaid ratio and rounded down to the nearest whole number).

Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing the Provisional Allotment Letter(s) and lodging the same with a cheque or a banker's cashier order for the sum payable for the Rights Shares being applied for with the Registrar on or before the Latest Time for Acceptance.

Distribution of this prospectus and other Prospectus Documents

The Prospectus Documents will not be registered or filed under the applicable securities legislation of any jurisdiction other than Hong Kong.

Distribution of the Prospectus Documents into jurisdictions other than Hong Kong may be restricted by law. Persons receiving the Prospectus Documents (including, without limitation, Shareholders and Beneficial Owners, agents, custodians, nominees and trustees) should inform themselves of and observe any such restrictions. Any failure to comply with those restrictions may constitute a violation of the securities laws of any such jurisdiction. Any Shareholder or Beneficial Owner who is in any doubt as to his/her/its position should consult an appropriate professional adviser without delay.

Receipt of this prospectus and/or a PAL or the crediting of nil-paid Rights Shares to any stock account (including in CCASS) does not and will not constitute an offer in any jurisdictions in which it would be illegal to make an offer and, in those circumstances, this prospectus and/or other Prospectus Documents must be treated as sent for information only and should not be copied or redistributed. Persons (including, without limitation, agents, custodians, nominees and trustees) who receive a copy of this prospectus and other Prospectus Documents or whose stock account in CCASS is credited with nil-paid Rights Shares should not, in connection with the Rights Issue, distribute or send the same in, into or from, or transfer nil paid Rights Shares to any person in, into or from, any jurisdiction outside Hong Kong, unless offer to such

LETTER FROM THE BOARD

jurisdictions could lawfully be made without compliance with any registration or other legal or regulatory requirements or where the offer is made reliance on any exemption or where compliance with the relevant legal or regulatory requirement will not, in the Board's judgement, be unduly burdensome.

If a PAL or a credit of nil-paid Rights Shares in CCASS is received by any person in any such territory, or by his/her/its agent custodian, nominee or trustee, he/she/it should not seek to take up the rights referred to in the PAL or transfer the PAL or transfer the nil-paid Rights Shares in CCASS unless the Company, in its absolute discretion, determines that such actions would not violate applicable legal or regulatory requirements. Any person (including, without limitation, agents, custodians, nominees and trustees) who forwards this prospectus and/or a PAL in, into or from, any jurisdiction outside Hong Kong (whether under a contractual or legal obligation or otherwise) should draw the recipient's attention to the contents of this section.

Non-Qualifying Shareholders

The Prospectus Documents will not be registered or filed under the applicable securities legislation of any jurisdiction other than Hong Kong. The Company will send the Prospectus to the Non-Qualifying Shareholders for their information only, but will not send the Provisional Allotment Letter to them. Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below.

Pursuant to Rule 13.36(2)(a) of the Listing Rules, the Directors have made enquiries regarding the feasibility of extending the Rights Issue to the Overseas Shareholder(s) under the laws of the relevant overseas jurisdictions and the requirements of the relevant regulatory bodies or stock exchanges.

According to the register of members of the Company as at the Latest Practicable Date, there was one Overseas Shareholder whose registered address was located in the BVI holding 27,480,000 Shares and three Overseas Shareholders were located in the PRC, holding an aggregate of 20,000,000 Shares.

Having made reasonable enquiries of the legal requirements regarding the feasibility of extending the Rights Issue to the Overseas Shareholder with registered addresses in the PRC and the BVI and taking into account the legal advice provided by the PRC legal adviser and the BVI legal adviser, the Board is of the view that the relevant overseas legal restrictions and requirements of the regulatory body or Stock Exchange do not make it necessary or expedient to exclude the Overseas Shareholders with registered addresses in the PRC and the BVI from the Rights Issue. Accordingly, the Board has resolved to extend the Rights Issue to the Overseas Shareholder having registered address in the PRC and the BVI and such Overseas Shareholders are considered as Qualifying Shareholders.

Accordingly, as at the Latest Practicable Date, there is no Non-Qualifying Shareholder for the purpose of this Rights Issue.

LETTER FROM THE BOARD

The Rights Issue does not constitute or form part of any offer or invitation to sell or issue, or any solicitation of any offer to acquire, nil-paid Rights Shares or fully-paid Rights Shares or to take up any entitlements to nil-paid Rights Shares or fully-paid Rights Shares in any jurisdiction in which such an offer or solicitation is unlawful.

It is the responsibility of any person (including but not limited to Shareholders and beneficial owners of the Shares, any agent, custodian, nominee or trustee) outside Hong Kong wishing to make an application for the Rights Shares to satisfy himself/herself/itself as to the full observance of the laws and regulations of the relevant territory or jurisdiction, including obtaining any governmental or other consents and to pay any taxes, duties and other amounts required to be paid in such territory or jurisdiction in connection therewith.

Any acceptance of the offer of the Rights Shares by any person by way of completion or return to the Registrar of a PAL will be deemed to constitute a representation and warranty from such person to the Company that the applicable local laws and requirements have been fully complied with. Such persons should consult their professional advisers if in doubt.

For the avoidance of doubt, neither HKSCC nor HKSCC Nominees Limited is subject to the representations and warranties provisions above.

The Company reserves the right to treat as invalid any acceptance of or applications for Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, Overseas Shareholders should exercise caution when dealing in the Shares.

Notwithstanding any other provision in this Prospectus or the PAL, the Company reserves the right to permit any Shareholder to take up his/her/its rights if the Company, in its absolute discretion, is satisfied that the transaction in question is exempt from or not subject to the legislation or regulations giving rise to the restrictions in question.

Odd lot arrangement

No odd lot matching services will be provided as the Directors are of the view that, having compared the fees to be charged by a designated securities broker and the market value of the odd lots of Shares, it will not be cost-effective for the Company to appoint such a broker to provide matching services for odd lots of Shares.

Procedures for acceptance, application or transfer

Any Qualifying Shareholder (including, without limitation, any agent, custodian, nominee and trustee) wishing to take up the Rights Shares (in nil-paid or fully-paid form) under the Rights Issue must satisfy himself/herself/itself as to full observance of the applicable laws of any relevant territory including obtaining any requisite governmental or other consents, observing any other requisite formalities and paying any issue, transfer or other taxes due in such territories.

LETTER FROM THE BOARD

Each subscriber of the Rights Shares will be deemed (by accepting delivery of this prospectus) to have given each of the following representations and warranties to the Company and to any person acting on their behalf, unless the Company waives such requirement in its sole discretion in relation to the relevant representation(s) and/or warranty(ies) given to each of them:

- he/she/it was a Shareholder as at the Record Date, or he/she/it lawfully acquired or may lawfully acquire rights, directly or indirectly, from such a person;
- he/she/it may lawfully be offered, take up, exercise, obtain, subscribe for and receive the rights and/or the Rights Shares in the jurisdiction in which he/she/it resides or is currently located;
- subject to certain exceptions, he/she/it is not resident or located in, or a citizen of, the United States, and is not a US person; and
- subject to certain exceptions, he/she/it is not accepting an offer to acquire, take up or exercise rights or Rights Shares on a non-discretionary basis for a person who is resident or located in, or a citizen of the United States or is a US person at the time the instruction to accept was given.

For the avoidance of doubt, neither HKSCC nor HKSCC Nominees is subject to any of the above representations and warranties.

It should be noted that unless the Provisional Allotment Letter(s), together with the appropriate remittance, has been lodged with the Registrar by 4:00 p.m. on the Latest Acceptance Date, whether by the original allottee or any person in whose favour the rights have been validly transferred, that provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled. The Company may, at its discretion, treat a Provisional Allotment Letter(s) as valid and binding on the person(s) by whom or on whose behalf it is lodged even if not completed in accordance with the relevant instructions.

All cheques or banker's cashier orders will be presented for payment immediately following receipt and all interest earned on such monies will be retained for the benefit of the Company. **Completion and return of the Provisional Allotment Letter(s) will constitute a warranty and representation to the Company that all registration, legal and regulatory requirements of all relevant jurisdictions in connection with the Provisional Allotment Letter(s) and any acceptance of it have been, or will be, duly complied with.** For the avoidance of doubt, neither HKSCC nor HKSCC Nominees is subject to such warranty and representation. Any Provisional Allotment Letter(s) in respect of which the accompanying cheque or banker's cashier order is dishonoured on first presentation is liable to be rejected, and in that event the provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled. The Company reserves the right to refuse to accept any application for Rights Shares where it believes that doing so would violate the applicable securities or other laws or regulations of any jurisdiction.

Transfers and "splitting" of nil-paid Rights Shares

A Qualifying Shareholder can accept all of his/her/its provisional allotment of Rights Shares, or sell all of his/her/its provisional allotment on the Stock Exchange or accept only part of his/her/its provisional allotment and/or sell the remaining part on the Stock Exchange.

If a Qualifying Shareholder wishes to accept only part of his/her/its provisional allotment or transfer a part of his/her/its rights to subscribe for the Rights Shares provisionally allotted to him/her/it under the Provisional Allotment Letter(s) to more than one person, the original Provisional Allotment Letter(s) must be surrendered and lodged for cancellation together with a covering letter stating clearly the number of split Provisional Allotment Letter(s) required and the number of nil-paid Rights Shares to be comprised in each split Provisional Allotment Letter(s) (which, in aggregate, should be equal to the number of Rights Shares provisionally allotted to such holder as stated in Box B of the original Provisional Allotment Letter(s)), by no later than 4:30 p.m. on Friday, 29 November 2024 to the Registrar, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road

the Placing Agent shall be entitled, without any liability to the Company, by notice in writing to the Company served prior to the Latest Placing Time, to terminate the Placing Agreement.

The terms of the Placing Agreement (including the placing fee) were determined after arm's length negotiation between the Placing Agent and the Company and are on normal commercial terms. The Directors consider that the placing fee charged by the Placing Agent is no less favourable to the Company than the market rate in recent placing transactions and are therefore of the view that the terms of the Placing Agreement are on normal commercial terms.

LETTER FROM THE BOARD

The Placing Agent shall ensure that the Placing Shares are placed (i) only to institutional, corporate or individual investors who and whose ultimate beneficial owners shall be Independent Third Parties; (ii) such that the Placing will not have any implication under the Takeovers Code and no Shareholder will be under any obligation to make a general offer under the Takeovers Code as a result of the Placing; and (iii) such that the Placing will not result in the Company incapable of complying with the Public Float Requirement under the Listing Rules immediately following the Placing. The Company will continue to comply with the Public Float Requirement under Rule 8.08 of the Listing Rules and the Placing will not have any implication under the Takeovers Code and no Shareholder will be under any obligation to make a general offer under the Takeovers Code as a result of the Placing.

Given that the Compensatory Arrangements would provide (1) a distribution channel of the Unsubscribed Rights Shares and the NQS Unsold Rights Shares to the Company; (2) channel of participation in the Rights Issue for independent investors; and (3) a compensatory mechanism for No Action Shareholders, the Board considered that the Compensatory Arrangements are fair and reasonable and would provide adequate safeguard to protect the interest of the Company's minority Shareholders.

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Rights Shares in both nil-paid and fully-paid forms. Nil Paid Rights are expected to be traded in same board lot size as the Shares, i.e., 4,000 shares in one board lot. The board lot size of nil-paid and fully-paid Rights Shares is 4,000 shares. LETTER FROM THE BOARD

REASONS FOR THE RIGHTS ISSUE

The Group is principally engaged the provision of packaging and sales of dried seafood in the PRC. The estimated net proceeds of the Rights Issue (after deduction of expenses) if the Rights Issue is subscribed in full is expected to amount to approximately HK\$29.6 million (assuming no change in the number of Shares in issue on or before the Record Date). Apart from the Rights Issue, the Directors have considered other debt or equity fundraising alternatives such as bank borrowings, placing or an open offer. The Directors note that bank borrowings, if available, carry additional interest costs and create pressure to the liquidity of the Company, and placing of new shares dilutes the interests of existing Shareholders without giving them the opportunity to take part in the exercise. As opposed to an open offer, the Rights Issue enables the Shareholders to sell the Nil-Paid Rights in the market. The Rights Issue will give the Qualifying Shareholders the opportunity to maintain their respective pro-rata shareholding interests in the Company and to continue to participate in the future development of the Group. Having considered the above alternatives, the Directors are of the view that the Rights Issue is in the best interests of the Company and the Shareholders as a whole and that the Rights Issue is an appropriate fundraising method to strengthen the capital base of the Company, which in turn will support the Company's continuing development and business growth, while allowing the Qualifying Shareholders to maintain their proportional shareholdings in the Company.

PROPOSED USE OF PROCEEDS

The estimated maximum net proceeds from the Rights Issue (after deducting the expenses) are approximately HK\$29.6 million. Assuming the Rights Issue is fully subscribed, the Company intends to apply the net proceeds from the Rights Issue as to:

- (i) approximately 40 % of the net proceeds would be applied towards purchase(s)/ deposit(s) for goods, marketing and promotion expenses and corporate development for the Group's existing food business of packaging and sale of seafood products and is expected to be fully utilized by end of December 2025;
- (ii) approximately 40 % of the net proceeds would be applied towards purchase(s)/ deposit(s) for goods, marketing and promotion expenses and corporate development for the Group's existing food and beverage business of a bar operations offering beverage and refreshment and is expected to be fully utilized by the end of December 2025; and
- (iii) approximately 20 % of the net proceeds would be applied towards the general working capital of the Group which includes, but not limited to headquarters expenses, professional fees and staff salaries and is expected to be fully utilised by the end of December 2025.

LETTER FROM THE BOARD

In the event that there is an undersubscription of the Rights Issue, the use of proceeds raised from the Rights Issue will be allocated on a pro-rata basis for the purposes disclosed above. Further details of the use of proceeds will be disclosed by the Company in the announcement of results of the Rights Issue.

The estimated expenses of the Rights Issue (including advisory fees for the professional parties, printing, registration, translation, legal, accounting and documentation charges) are estimated to be approximately HK\$1.17 million and will be payable by the Company. The net subscription price per Rights Share upon full acceptance of the relevant provisional allotment of Rights Shares are expected to be approximately HK\$0.38.

WARNING OF THE RISKS OF DEALING IN THE SHARES AND THE NIL-PAID RIGHTS SHARES

The Rights Issue is subject to the fulfilment of conditions including, amongst other things, the Stock Exchange granting the listing of, and permission to deal in, the Rights Shares in their nil-paid and fully paid forms. Please refer to the section headed “Conditions of the Rights Issue” in this prospectus. Shareholders and potential investors of the Company should note that if the conditions to the Rights Issue are not satisfied, the Rights Issue will not proceed.

Any dealings in the Shares from the date of this prospectus up to the date on which all the conditions of the Rights Issue are fulfilled, and any Shareholders dealing in the Rights Shares in nil-paid form will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed.

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares.

The theoretical dilution price and the benchmarked price are approximately HK\$0.325 per Share and HK\$0.290 per Share, respectively. LETTER FROM THE BOARD

2. BUSINESS TREND AND TRADING AND FINANCIAL PROSPECT**Business review**

Statistics show that China's GDP exceeded RMB1.26 trillion in 2023, with a growth rate 2.2% higher than that in 2022. China's overall economy began to show a stable trend after the epidemic. Among the major industries of the national economy, major domestic industries maintained a steady growth trend in 2023, of which the total grain food output reached 695.41 million tons, setting a new record; the manufacturing industry grew by 5.0%; the accommodation and food and beverage industry, information transmission and other industries achieved double-digit growth.

During the year ended 30 June 2024, the Group's revenue from the food products business decreased by 33.1% to RMB354.9 million from RMB530.2 million in 2023 (eighteen months period ended 30 June 2023). Segment gross profit decreased by 28.8% to RMB11.9 million from RMB16.7 million in 2023. Gross margin slightly increased from 3.2% in 2023 to 3.4%. If a comparison is made for the twelve-month period from 1 July 2022 to 30 June 2023, the Group's revenue from the food products business decreased by 13.1% from RMB408.5 million to RMB354.9 million. Segment gross profit decreased by 8.5% from RMB13.0 million in 2023 to RMB11.9 million. Gross margin slightly improved

from 3.2% to 3.4%. In addition, due to the reduction in sales and distribution costs and the absence of recognized losses on trade receivables during the Reporting Period, the Group's loss for the Reporting Period decreased to approximately RMB79.9 million.

Food products business

The Group has a comprehensive product portfolio with different raw materials, flavouring and packaging and considers each product to be distinctive. The Group seeks to differentiate itself from its competitors by providing a broad and convenient choice of safe and quality products, which creates additional opportunities to drive the overall sales. During the Reporting Period, the Group offered over 100 types of dried seafood, 30 types of algae and fungi, and 60 types of seafood snacks. The Group's products are sold through supermarkets, trading companies, convenience stores and other sales channels, such as food companies, gift stores and e-commerce retailers.

During the year ended 30 June 2024, the Group continued to strengthen its marketing efforts in supermarkets and adopted flexible pricing, which has achieved certain results, and the gross profit has been improved. Gross margin slightly increased from 3.2% in 2023 to 3.4%.

Outlook

As the Chinese government gradually releases policies to stimulate the economy, we expect the domestic economic operation to be stable with progress. Since the beginning of 2024, measures such as large-scale equipment upgrades, consumer goods trade-in, and ultra-long-term special government bonds have been implemented, and their stimulating effects on investment and consumption will gradually emerge. The growth of household consumption was a significant driving force for China's economic growth in 2023. As the growth rate of disposable income exceeds the GDP Growth rate and the savings rate continues to decrease gradually, according to research released by Goldman Sachs Research Department, it is expected that household consumption expenditure will grow by 6.0% in 2024. Afterwards, consumption will be a relatively stable recovery process and is expected to return to the trend level in the next two to three years.

On 24 May 2024, Golden Shenghai Holdings Limited, a wholly-owned subsidiary of the Company, entered into the Shenghai Acquisition Agreements with various suppliers in relation to acquisition of equipment relating to establishment of a bar offering beverage and refreshment in the PRC, at the total consideration of approximately RMB12 million, in order to expand the food and beverage business. The management of the Group believes that the establishment of the new food and beverage business has good growth potential and will be a value-adding complement to the Group's existing business, and improve the Group's operating results. The Group will continue to diversify its business development strategies by venturing into new markets and expanding its businesses in order to remain competitive.

3. MATERIAL ADVERSE CHANGE

As at the Latest Practicable Date, the Directors confirmed that there had been no material adverse change in the financial or trading position or prospects of the Group since 30 June 2024, being the date to which the latest published audited consolidated financial statements of the Group were made up.

4. WORKING CAPITAL STATEMENT

Taking into account the net proceeds from the Rights Issue and the Group's presently available financial resources, including internally generated funds from operations and available financial facilities of the Group, the Directors after due and careful enquiry are of the opinion that the Group has sufficient working capital for its present requirements, that is for at least the next 12 months from the date of publication of this prospectus.

Independent Reporting Accountants’ Report on the Unaudited Pro Forma Financial Information

The Board of Directors of Gaodi Holdings Limited

We have completed our assurance engagement to report on the compilation of unaudited pro forma financial information of Gaodi Holdings Limited (the “**Company**”) and its subsidiaries (hereinafter collectively referred to as the “**Group**”) by the directors of the Company for illustrative purposes only. The unaudited pro forma financial information consists of the unaudited pro forma statement of adjusted consolidated net tangible assets as at 30 June 2024 and related notes as set out on pages II-1 to II-3 of the prospectus issued by the Company dated 25 November 2024 (the “**Prospectus**”). The applicable criteria on the basis of which the directors of the Company have compiled the unaudited pro forma financial information are described in Section A of Appendix II of the Prospectus.

The unaudited pro forma financial information has been compiled by the directors of the Company to illustrate the impact of the proposed rights issue on the basis of one Right Shares for every two existing Shares at the subscription price of HK\$0.40 per Rights Share (the “**Rights Issue**”) on the Group’s consolidated net tangible assets attributable to owners of the Company as at 30 June 2024 as if the Rights Issue had taken place on 30 June 2024. As part of this process, information about the Group’s net tangible assets attributable to owners of the Company at 30 June 2024 has been extracted by the directors from the Group’s audited consolidated statement of financial position as at 30 June 2024, included in the annual report of the Group for the year ended 30 June 2024 which has been published.

Directors' Responsibility for the Unaudited Pro Forma Financial Information

The directors of the Company are responsible for compiling the unaudited pro forma financial information in accordance with paragraph 29 of Chapter 4 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and with reference to Accounting Guideline 7 “Preparation of Pro Forma Financial Information for Inclusion in Investment Circulars” (“**AG 7**”) issued by the Hong Kong Institute of Certified Public Accountants (the “**HKICPA**”).

Our Independence and Quality Management

We have complied with the independence and other ethical requirement of the “Code of Ethics for Professional Accountants” issued by the HKICPA, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behavior.

Our firm applies Hong Kong Standard on Quality Management 1 “Quality Management for Firms that Perform Audits or Reviews of Financial Statements, and Other Assurance or Related Services Engagements”, which requires the firm to design, implement and operate a system of quality management including policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Reporting Accountant's Responsibilities

Our responsibility is to express an opinion, as required by paragraph 29(7) of Chapter 4 of the Listing Rules, on the unaudited pro forma financial information and to report our opinion to you. We do not accept any responsibility for any reports previously given by us on any financial information used in the compilation of the unaudited pro forma financial information beyond that owed to those to whom those reports were addressed by us at the dates of their issue.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3420 “Assurance Engagements to Report on the Compilation of Pro Forma Financial Information Included in a Prospectus” issued by the HKICPA. This standard requires that the reporting accountant plans and performs procedures to obtain reasonable assurance about whether the directors of the Company have compiled the unaudited pro forma financial information in accordance with paragraph 29 of Chapter 4 of the Listing Rules and with reference to AG 7 issued by the HKICPA.

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the unaudited pro forma financial information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the unaudited pro forma financial information.

The purpose of unaudited pro forma financial information included in an investment circular is solely to illustrate the impact of a significant event or transaction on unadjusted financial information of the Group as if the event had occurred or the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the event or transaction at 30 June 2024 would have been as presented.

A reasonable assurance engagement to report on whether the unaudited pro forma financial information has been properly compiled on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the directors of the Company in the compilation of the unaudited pro forma financial information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

- the related unaudited pro forma adjustments give appropriate effect to those criteria; and
- the unaudited pro forma financial information reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on the reporting accountant's judgment, having regard to the reporting accountants' understanding of the nature of the Group, the event or transaction in respect of which the unaudited pro forma financial information has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the unaudited pro forma financial information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion:

- (a) the unaudited pro forma financial information has been properly compiled by the directors of the Company on the basis stated;
- (b) such basis is consistent with the accounting policies of the Group; and
- (c) the adjustments are appropriate for the purposes of the unaudited pro forma financial information as disclosed pursuant to paragraph 29(1) of Chapter 4 of the Listing Rules.
