- 8.4 The Corporation shall in good faith discuss with the Agent any change in circumstances which is of a nature that there is reasonable doubt as to whether notice in writing need be given to the Agent pursuant to Section 8.3 hereof.
- 8.5 During the period of distribution to the public of the Offered Shares, or such longer period of time, if any, while the Prospectus continues to be current, the Corporation will advise the Agent promptly of any request of the Commissions or Exchange for an amendment of the Prospectus or for any additional information, of the issuance by the Commissions, Exchange or any other securities commission, stock exchange or similar regulatory authority, of any cease trading order, halt order or similar order relating to the Common Shares or Offered Shares or the use of the Prospectus, or of the institution or threat of institution of any proceedings for that purpose or of the receipt by the Corporation of any communication from the Commissions, Exchange or any other securities commission, stock exchange or similar regulatory authority relating to the Prospectus or the offering of the Offered Shares. The Corporation will use its commercially reasonable efforts to prevent the issuance of any such cease trading order or halt order and, if issued, to obtain the withdrawal thereof as soon as possible.
- 8.6 The Corporation will deliver, from time to time without charge, to the Agent as many copies of the Preliminary Prospectus or the Prospectus (and in the event of an amendment thereto, of such

amended Preliminary Prospectus or amended Prospectus) as the Agent may reasonably request for the purposes contemplated hereunder and by the Securities Legislation and such delivery shall constitute the consent of the Corporation to the use thereof in connection with offering the Offered Shares to the public, subject to the provisions of the Securities Legislation relating thereto.

- 8.7 On or before the Closing Date, the Corporation shall take or cause to be taken all steps and proceedings (including but not limited to the filing of the Prospectus and the obtaining of a receipt for the Prospectus from the British Columbia Securities Commission as principle regulator under Securities Legislation), necessary in order to qualify for distribution the Offered Shares for sale to Subscribers resident in the Offering Jurisdictions through the Agent and any sub-agents retained pursuant to Section 2.2 hereof, and to qualify for distribution the Agent's Warrant.
- 8.8 The Corporation shall deliver to the Agent at the Closing, a legal opinion addressed to the Agent, from counsel of the Corporation, substantially in the form attached hereto as Schedule "B".

In connection with such opinion, counsel to the Corporation may rely on the opinions of local counsel acceptable to counsel of the Agent, acting reasonably, as to the qualification for distribution of the Offered Shares or opinions may be given directly by local counsel of the Corporation with respect to those items and as to other matters governed by the laws of jurisdictions other than the province in which counsel of the Corporation is qualified to practice and may rely, to the extent appropriate in the circumstances, as to matters of fact on certificates of officers of the Corporation and others.

- 8.9 The Corporation shall deliver to the Agent at the Closing a certificate signed by the Chief Executive Officer of the Corporation, or such other director or officer of the Corporation as the Agent may accept, dated as of such date addressed to the Agent to the effect that:
- (a) the representations and warranties of the Corporation contained in this Agreement are true and correct as at the Closing Date with the same force and effect as if made at and as at the Closing Date after giving effect to the transactions contemplated hereby;
 - (b) the Corporation has duly complied with all covenants and satisfied all the conditions herein on its part to be performed or satisfied;
 - (c) no order suspending the sale or ceasing the trading of the Common Shares or any other securities of the Corporation has been issued and no proceedings for that purpose have been instituted or are pending or are, to the knowledge of such officer, contemplated or threatened by the Commissions, Exchange, or any other securities commission, stock exchange and similar regulatory authority; and
 - (d) such officer has carefully examined the Prospectus, and since the respective dates as of which information is given in the Prospectus, except as set forth in and contemplated thereby, the Corporation has not incurred any material liabilities or obligations (absolute, accrued, contingent or otherwise), or entered into any transaction not in compliance with the CPC Policy; there has been no material change in the assets, financial position, business or results of operations of the Corporation; and, to the best of the knowledge and information of such officer and/or director, there has occurred no event and no state or fact exists that, under Securities Legislation, is required to be set forth in an amended Prospectus that has not been so set forth.
- 8.10 The Corporation shall deliver to the Agent at the Closing the documentation provided for in Section 5.1 and such other documents and certificates that the Agent may reasonably require.

- 8.11 The Corporation shall take all necessary steps to complete and file with the Exchange its application for listing with all other documentation required by the Exchange, to allow for the listing and posting for trading of the Common Shares on the Exchange prior to Closing.
- 8.12 The net proceeds received by the Corporation from the sale of the Offered Shares and any Common Shares sold prior to the date of the Prospectus will be applied for the specific purposes more particularly set out under “Use of Proceeds” in the Prospectus and in compliance with the provisions of the CPC Policy.
- 8.13 At the Time of Closing, the Corporation shall deliver to the Agent, the Agent’s Warrants and payment of the Agent’s commission, fees and expenses as provided for in Sections 2 and 9 hereof.
- 8.14 At the Time of Closing, the Offered Shares shall have been made “eligible” by CDS Clearing and Depository Services Inc. (“CDS”) without any restrictions and counsel to the Corporation shall have provided written confirmation from CDS of such eligibility to Agent’s counsel.
- 8.15 The Closing shall occur at the Time of Closing at the offices of the Corporation’s counsel, or such other location as may be agreed to between the Corporation and the Agent.
- 8.16 Subject to any exemptions from the CPC Policy granted or permitted by the Exchange, until the Corporation completes a Qualifying Transaction, the Corporation will comply in all material respects with all applicable provisions of the CPC Policy. The Corporation will use its commercially reasonable efforts to maintain its status as a reporting issuer not in default of any Securities Legislation in the Offering Jurisdictions for a period of 24 months following the date that its Common Shares are listed and posted for trading on the Exchange and will use its commercially reasonable efforts to maintain its listing on the Exchange during such 24 months and to complete a Qualifying Transaction within 24 months.
- 8.17 During the period commencing with the date hereof and ending on the Closing Date (unless otherwise specified), it will promptly provide to the Agent and the Agent’s counsel, for review, prior to filing or issuance of the same, any proposed public disclosure document, including without limitation, any press release (including any press release issued after the Closing Date related to this Agreement and the Offering) or material change report and Corporation will use its commercially reasonable efforts to agree with the Agent as to the form and substance of such document and an appropriate legend regarding US distribution shall be included on any press release as follows: “Not for distribution to United States newswire services or for dissemination in the United States” and “These securities have not been and will not be registered under the *United States Securities Act* of 1933, as amended, or the securities laws of any state, and may not be offered or sold in the United States unless an exemption from registration is available. This press release does not constitute an offer to sell or the solicitation of any offer to buy these securities in the United States”.
- 8.18 The net proceeds received by the Corporation from the sale of the Offered Shares and any Common Shares sold prior to the date of the Prospectus will be applied for the specific purposes more particularly set forth under “**Use of Proceeds**” in the Prospectus.
- 8.19 The Corporation will not make any payments which are prohibited by the CPC Policy.
- 8.20 It is understood that the Agent may waive, in whole or in part, non-compliance with any of the conditions or other matters contained herein or extend the time for compliance therewith without prejudice to its rights in respect of any other condition or conditions or any other subsequent breach or non-compliance, provided that any such waiver or extension shall be binding upon the Agent only if it is in writing.

9. EXPENSES

- 9.1 All costs and expenses of or incidental to the transaction herein contemplated and the issue and sale of the Offered Shares hereunder, whether or not the offering of the Offered Shares is completed, are to be assumed and paid by the Corporation, including without limiting the generality of the foregoing, the reasonable costs and expenses of the Agent, including fees and disbursements of the Agent's technical consultants and legal counsel in all jurisdictions, all fees and expenses of or incidental to the creation, issuance and sale and distribution of the Offered Shares, transfer agent fees, filing fees payable to the Exchange and the Commissions, the preparation and printing of the Preliminary Prospectus and the Prospectus, and all reasonable expenses of the Agent in connection with the marketing of the Offering. All costs and expenses of or incidental to the transaction herein contemplated shall not exceed \$15,000 without the prior approval of the Corporation.

10. INDEMNIFICATION OF AGENT

- 10.1 The Corporation hereby covenants and agrees to protect and indemnify and save harmless the Agent and each of its subsidiaries and affiliates, and each of their respective directors, officers, partners, employees, agents, each shareholder of the Agent any of their respective subsidiaries or affiliates, and the successors and assigns of all the foregoing persons and any other registrants retained by the Agent as sub-agents pursuant to Section 2.2 hereof and their respective directors, officers, partners and employees (collectively the "**Indemnified Persons**"), from and against all actual or threatened claims, actions, suits, investigations and proceedings (collectively the "**Proceedings**") and all losses, claims, damages, liabilities, costs or expenses (except loss of profits) (collectively "**Liabilities**") caused or incurred by reason of or resulting directly or indirectly from:
- (a) any Misrepresentation or alleged Misrepresentation contained in the Preliminary Prospectus or in the Prospectus, or in any supplemental, additional or ancillary material (including an amended prospectus), information, evidence, return, report, application, statement, table or document that may be filed by or on behalf of the Corporation under the Securities Legislation, or in any written or oral representation made by the Corporation to a Subscriber, except any Misrepresentation which is based upon information relating solely to the Agent and furnished to the Corporation by the Agent expressly for inclusion in the Preliminary Prospectus and the Prospectus;
 - (b) any order, inquiry or investigation related to the Offering of the Offered Shares arising out of any statement contained in the Preliminary Prospectus or Prospectus, or in any written or oral representation made by the Corporation to a Subscriber, and brought by the Commissions, the Exchange or any other securities commission, stock exchange or similar regulatory authority, except such orders, inquiries and investigations relating solely to the Indemnified Persons or any one of them;
 - (c) any breach of the representations, warranties and covenants of the Corporation contained herein;
 - (d) any prohibition or restriction of trading in the Offered Shares or the Agent's Shares, or any prohibition affecting the distribution of the Offered Shares or the Agent's Shares which may be ordered by any one or more competent authorities if such prohibition or restriction of trading is based on any Misrepresentation in the Preliminary Prospectus or Prospectus, or in any written or oral representations made by the Corporation to a Subscriber, except any Misrepresentation which is based upon information relating solely to the Agent and furnished to the Corporation by the Agent expressly for inclusion in the Preliminary Prospectus and the Prospectus;

- (e) any Subscriber effectively rescinding its subscription for the Offered Shares pursuant to a right of rescission under which a Subscriber may rescind a contract on the grounds that the Prospectus contains a Misrepresentation, except any Misrepresentation which is based upon information relating solely to the Agent and furnished to the Corporation by the Agent expressly for inclusion in the Preliminary Prospectus and the Prospectus, or in the event a determination is made by any competent authority setting aside the sale of the Offered Shares, except any Misrepresentation which is based upon information relating solely to the Agent and furnished to the Corporation by the Agent expressly for inclusion in the Prospectus or any determination that arises out of any act or omission of the Agent; and
 - (f) the Prospectus failing to comply with the requirements of the Securities Legislation so as to permit the lawful sale of the Offered Shares or by reason of the Corporation having failed to take or cause to be taken such steps or proceedings as were necessary to permit the lawful sale of the Offered Shares as contemplated by the Prospectus and this Agreement.
- 10.2 If any matter or thing contemplated by this Section 10 shall be asserted against any Indemnified Persons, the Agent shall notify the Corporation as soon as possible of the nature of such claim and the Corporation shall assume the defence of any suit or proceeding brought to enforce such claim; provided however, that the defence shall be through legal counsel acceptable to the Indemnified Person and that no settlement may be made by the Corporation or the Indemnified Person without the prior written consent of the other, acting reasonably. However, failure by the Agent to notify the Corporation will not relieve the Corporation of its obligations to indemnify the Indemnified Persons. The Indemnified Persons shall continue to have the right to employ their own counsel, in any action or proceeding relating to the claim contemplated by this Section 10 and the fees and expenses of a reasonable number of such counsel shall be paid by the Corporation to the extent that the same shall be covered by the indemnity in this Section 10 if:
 - (a) the Indemnified Persons have been advised by such counsel that there may be legal defences available to them which are different from or additional to defences available to the Corporation (in which case the Corporation shall not have the right to assume the defence of such proceedings on their behalf);
 - (b) the Corporation shall not have undertaken the defence of such proceedings and employed counsel 10 days after notice of commencement of such proceedings; or
 - (c) the employment of such counsel has been authorized by the Corporation in connection with the defence of such proceeding.
- 10.3 In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in this Agreement is due in accordance with its terms but is (in whole or in part), for any reason, held by a court to be unavailable from the Corporation on policy grounds or otherwise, each of the Corporation and the Indemnified Persons shall contribute to the aggregate Liabilities (or Proceedings in respect thereof) to which they may be subject or which they may suffer or incur:
 - (a) in such proportion as is appropriate to reflect the relative benefit received by the Corporation on the one hand and by the Indemnified Persons on the other hand from the offering contemplated herein; or
 - (b) if the allocation provided by subsection 10.3(a) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in subsection 10.3(a) above, but also to reflect the relative fault of the Indemnified Persons, on the one hand, and the parties from whom indemnity is sought, on the other hand, in connection with the statement, omission, Misrepresentation or alleged Misrepresentation,

order, inquiry, investigation or other matter or thing which resulted in such Liabilities, as well as any other relevant equitable considerations.

The relative benefits received by the Corporation, on the one hand, and the Indemnified Persons, on the other hand, shall be deemed to be in the same proportion that the total proceeds of the offering contemplated herein received by the Corporation (net of fees but before deducting expenses) bear to the fees received by the Agent. In the case of liability arising out of the Prospectus (including any amendments thereto), the relative fault of the Corporation, on the one hand, and of the Indemnified Persons, on the other hand, shall be determined by reference, among other things, to whether the statement, omission, Misrepresentation or alleged Misrepresentation, order, inquiry, investigation or other matter or thing referred to in Section 10.1 which resulted in such Liabilities relates to information supplied or which ought to have been supplied by, or steps or actions taken or done on behalf of or which ought to have been taken or done on behalf of, the Corporation or the Indemnified Persons, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement, omission, Misrepresentation or alleged Misrepresentation, order, inquiry, investigation or other matter or thing referred to in Section 10.1.

The amount paid or payable to an Indemnified Person as a result of any Proceedings or Liabilities shall, without limitation, include any legal or other expenses reasonably incurred by the Indemnified Person in connection with investigating or defending such Proceedings or Liabilities, whether or not resulting in any formal action, suit, proceeding or claim.

The Corporation and the Agent agree that it would not be just and equitable if contributions pursuant to this Agreement were determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to in the immediately preceding paragraphs. Any liability of the Indemnified Persons under this Section 10.3 shall be limited to the amount of the fees payable to the Agent pursuant to Section 2.3 hereof.

No person found liable for fraudulent misrepresentation (within the meaning of Securities Legislation) will be entitled to contribution from any person who is not found liable from such fraudulent misrepresentation.

- 10.4 The rights to indemnity and right of contribution provided in the foregoing sections shall be in addition to and not in derogation of any other right to contribution which the Indemnified Persons may have by any statute or otherwise at law or in equity. The Corporation waives all rights of contribution that it may have against any Indemnified Persons relating to any Liability or Proceeding in respect of which the Corporation has agreed to indemnify the Indemnified Persons hereunder.
- 10.5 It is the intention of the Corporation to constitute the Agent as trustee for the Indemnified Persons for the purposes of Section 10.1 to 10.4, inclusive, and the Agent shall be entitled, as trustee to enforce such covenants on behalf of any other Indemnified Persons.
- 10.6 If any Proceeding is brought in connection with the transactions contemplated by this Agreement and the Agent is required to testify in connection therewith or is required to respond to procedures designed to discover information relating thereto, it will have the right to employ its own counsel in connection therewith, and the fees and disbursements of such counsel in connection therewith and any other reasonable costs and out-of-pocket expenses incurred by them in connection therewith as well as its reasonable fees at the normal per diem rate for the Agent's directors, officers, partners, employees and agents involved in preparation for and attendance at such Proceedings or in so responding will be paid by the Corporation as they are incurred.

- 10.7 The Corporation agrees that, in any event, no Indemnified Persons shall have any liability (either direct or indirect, in contract or tort or otherwise) to the Corporation, or any person asserting claims on their behalf or in right for or in connection with the engagement, except to the extent that any losses, expenses, claims, actions, damages or liabilities incurred by the Corporation are determined by a court of competent jurisdiction in a final judgement (in a proceeding in which an Indemnified Person is named as a party) that has become non-appealable to have resulted from the material breach of this Agreement, breach of applicable laws, gross negligence or fraudulent act of such Indemnified Persons.
- 10.8 The obligations under the indemnity and right of contribution provided for herein shall apply whether or not the transactions contemplated by this Agreement are completed and shall survive the completion of the transactions contemplated under this Agreement and the termination of this Agreement.

11. ADDITIONAL CONDITIONS OF THE AGENT'S OBLIGATIONS

- 11.1 If at any time prior to the Time of Closing:
- (a) there shall have occurred any material change (as that term is defined pursuant to Securities Legislation) which, in the Agent's sole opinion, materially impairs the investment quality or marketability of the Offered Shares;
 - (b) there shall develop, occur or come into effect any event of any nature whatsoever or disclosure of any such event which, in the Agent's sole opinion, acting reasonably, has had or will have a material adverse effect upon the state of financial markets, whether national or international or the business, affairs, or financial condition of the Corporation such that the offering of the Offered Shares should be withdrawn;
 - (c) any inquiry, action, investigation or other proceeding (whether formal or informal) is made, announced or threatened or any order is issued by any federal, provincial, state, municipal or other governmental department, commission, board, bureau, agency, regulatory authority or other instrumentality including, without limitation, the Exchange or any other stock exchange or quotation or any securities regulatory authority involving the Corporation's securities, directors or officers (except for any inquiry, action, investigation or other proceeding based upon activities of the Agent and not upon activities of the Corporation) or any law or regulation is enacted or changed, which, in the opinion of the Agent, acting reasonably, prevents or restricts trading in or the distribution of the securities of the Corporation or the Offered Shares or materially and adversely affects or might reasonably be expected to materially and adversely affect the market price or value of the securities of the Corporation or the Offered Shares;
 - (d) if any new or amended Prospectus discloses information which, in the Agent's sole opinion, results at any time prior to the Time of Closing in the Subscribers of a material amount of the Offered Shares exercising their rights under the Securities Legislation to withdraw from or rescind their purchase thereof;
 - (e) an order to cease or halt trading (other than the halt instituted by the Exchange to facilitate Closing) in the Offered Shares or any other securities of the Corporation has been made by the Commissions, the Exchange or any other securities commission, stock exchange or other regulatory authority having jurisdiction over the Corporation and has not been rescinded, revoked or withdrawn;

- (f) there is any material breach or non performance of any of the covenants, representations and warranties of the Corporation contained in this Agreement that has not been rectified or remedied to the satisfaction of the Agent, acting reasonably;
- (g) any inquiry or investigation in relation to the Corporation or the Corporation's directors, officers or insiders (as "insiders" is defined in the Securities Legislation) is commenced or threatened by the Commissions, Exchange or any other securities commission, stock exchange or other regulatory authority having jurisdiction over the Corporation;
- (h) there is any breach or non performance by the Corporation of any provisions of any order of the Commissions or the Exchange or any other securities commission, stock exchange or other regulatory authority having jurisdiction over the Corporation;
- (i) there is any amendment to Securities Legislation which will, in the Agent's opinion, materially increase the costs and expenses incurred or to be incurred by the Agent in connection with the offering of the Offered Shares, or impose any limitations or restrictions on the exercise of the Agent's Warrant or on the subsequent trading of the Agent's Shares acquired pursuant to the exercise of the Agent's Warrant;
- (j) the state of financial markets in Canada is such that, in the reasonable opinion of the Agent, the Offered Shares cannot be marketed profitably or successfully; or
- (k) the Agent is not satisfied, in its sole discretion, with the results of its due diligence review contemplated in Section 8.1 hereof;

the Agent shall be entitled, at its option, to terminate and cancel its obligations under this Agreement with no liability on the Agent's part, by written notice to that effect given to the Corporation not later than the Time of Closing. In the event of any such termination pursuant to the provisions of this Section 11, the Corporation's obligations under this Agreement shall be at an end save and except that the Corporation shall be liable to make payment of such of the costs and expenses provided for in Sections 2 and 9 to be payable by the Corporation, as shall previously have been incurred by the Agent and the indemnities contained in Section 10 shall remain in full force and effect.

AGENT'S WARRANT CERTIFICATE

THE WARRANTS REPRESENTED BY THIS CERTIFICATE WILL BE VOID AND OF NO VALUE UNLESS EXERCISED ON OR BEFORE ♦, 2027.

Number of Warrants: 250,000

Issue Date: ♦, 2022

Certificate No.: ♦

Expiry Date: ♦, 2027

THIS CERTIFIES that, for value received, Canaccord Genuity Corp., (the "**Holder**"), is the registered holder of 250,000 non-transferable compensation warrants (the "**Warrants**"), each of which entitle the Holder, subject to the terms and conditions set forth in this Agent's Warrant Certificate, to purchase from Faction Investment Group Corp. (the "**Corporation**"), one common share of the Corporation (a "**Common Share**") at any time and from time to time until 9:00 a.m. (Vancouver time) on ♦, 2027 (the "**Expiry Date**") on payment of \$0.10 per Common Share (the "**Exercise Price**"), subject to adjustment in certain events.

This Agent's Warrant Certificate is being issued as partial compensation to Canaccord Genuity Corp. for its services in connection with the issue and sale of Common Shares of the Corporation pursuant to an agency agreement dated effective June 10, 2022 among the Corporation and Canaccord Genuity Corp. (the "**Agency Agreement**").

1. Exercise Date

The Warrants granted hereunder shall be exercised on or before Expiry Date, after which all rights granted hereunder shall terminate. The Holder agrees that only up to a total of 50% of the Common Shares obtained by the Holder pursuant to the exercise of the Warrants may be sold prior to the completion of a Qualifying Transaction (as that term is defined in the CPC Policy) by the Corporation. The remaining 50% Common Shares may only be sold after completion of a Qualifying Transaction. The Exchange may vary these requirements in exceptional circumstances upon the application of the Holder.

2. Exercise Price

The exercise price shall be the sum of \$0.10 per Common Share.

3. Exercise of Warrant

The Warrant granted hereunder may be exercised in whole or in part, at any time and from time to time, on or prior the Expiry Date, by the Holder delivering to the Corporation an election to exercise substantially in the form attached hereto as Exhibit "1" (the "**Election to Exercise**") at the address specified in the Agency Agreement, specifying therein the number of Common Shares in respect of which the Warrant is being exercised, accompanied by payment in cash, certified cheque or bankers' draft payable to the Corporation in full payment of the purchase price for such number of Common Shares so specified therein.

4. Share Certificates

Upon exercise of the Warrant, the Corporation shall forthwith cause the Transfer Agent to deliver to the Holder or as the Holder may otherwise in writing direct in the notice of exercise of Warrant, within three

Business Days following the receipt by the Corporation of payment for the number of Common Shares so exercised, a certificate or certificates representing in the aggregate such number of Common Shares as the Holder may have paid for.

5. No Rights of Shareholder Until Exercise

The Holder shall have no rights whatsoever as a shareholder (including any right to receive dividends or other distributions to shareholders or to vote at a general meeting of the shareholders of the Corporation) other than in respect of the Common Shares which the Holder shall have exercised its right to purchase hereunder and which the Holder shall have actually taken up and paid for pursuant to this Warrant.

6. Non-Transferable

The rights conferred hereunder shall be non-transferable and non-tradeable.

7. No Fractional Common Shares

No fractional Common Shares will be issued on exercise of this Warrant, and no compensation will be paid for such fractional Common Shares, if any.

8. Dilution

In the event of any reclassification, subdivision or redivision of the issued Common Shares of the Corporation at any time prior to the Expiry Date into a greater number of Common Shares (including the declaration or payment of any stock dividend), the Corporation shall deliver at the time of any exercise thereafter of the Warrant hereby granted, at no additional cost to the Holder, but only as to the Common Shares in respect of which the Warrant is then exercised, the number of Common Shares which the Holder would have been entitled to following such reclassification, subdivision or redivision if it had exercised the Warrant and held the Common Shares immediately prior to the date of reclassification, subdivision or redivision. The Holder shall pay for the number of Common Shares delivered upon exercise as aforesaid an amount calculated by multiplying the exercise price by the number of Common Shares over which the right would have been exercised if such exercise had been made prior to the date of such reclassification, subdivision or redivision.

In the event of any consolidation or change in the Common Shares of the Corporation at any time prior to the Expiry Date into a lesser number of Common Shares, the Corporation shall deliver at the time of any exercise thereafter of the Warrant hereby granted, but only as to the Common Shares in respect of which the Warrant is then exercised, the number of Common Shares which the Holder would have been entitled to following such consolidation or change if it had exercised the Warrant and held the Common Shares immediately prior to the date of such consolidation or change. The Holder shall pay for the number of Common Shares delivered upon exercise as aforesaid, an amount calculated by multiplying the exercise price by the number of Common Shares over which the right would have been exercised if such exercise had been made prior to the date of such consolidation or change.

In the event that the Corporation shall at any time prior to the Expiry Date, amalgamate, consolidate with or merge into another corporation, the Holder shall thereafter receive, upon the exercise of the Warrant, but only as to the Common Shares in respect of which the Warrant is then exercised, the securities or property which the Holder would have been entitled to following such amalgamation, consolidation or merger if it had exercised the Warrant and held the Common Shares immediately prior to the amalgamation, consolidation or merger, and the Corporation will take such steps in connection with such amalgamation, consolidation or merger as may be necessary to ensure that the provisions hereof shall thereafter be applicable, as near as reasonably may be possible in relation to any securities or properties thereafter delivered upon the exercise of the Warrant hereby granted. A sale of all or substantially all of the assets of the Corporation for a consideration (apart from the assumption of obligations) consisting primarily of securities, shall be deemed a consolidation, amalgamation or merger for the foregoing purposes.

Adjustments shall be made successively whenever any event referred to in this paragraph shall occur. Upon any adjustment of the number of Common Shares which may be purchased hereunder, the Corporation shall give written notice to the Holder, giving particulars of such adjustment. In the event the Corporation agrees to sell all or substantially all of the assets of the Corporation for cash, it shall give the Holder at least 30 days' notice prior to the date of finalization of such proposed sale, determined as of the date of notice. In the event of the liquidation, dissolution or winding up of the affairs of the Corporation, the right to exercise this Warrant shall terminate 10 days before the earliest day fixed for the payment of any distribution amount on the Common Shares of the Corporation, provided at least 30 days' notice of such payment date shall be given to the Holder, determined as of the date of notice.

9. Reservation of Treasury Shares
