ACCEPTANCE OF NOTICE OF AWARD FOR SPECTRUM ASSIGNMENT IN THE 2600 MHZ AND 900 MHZ FREQUENCY BANDS

1. Introduction

The Board of Directors of CelcomDigi Berhad ("CelcomDigi" or "the Company") wishes to announce that its wholly-owned subsidiary, CelcomDigi Telecommunications Sdn. Bhd. ("CDTel") had on 2 October 2026 received a Notice of Award from the Malaysian Communications and Multimedia Commission ("MCMC"), informing CDTel that it had been selected as the successful applicant for the assignment of spectrum under Lot B pursuant to the Applicant Information Package No. 1 of 2026.

CDTel has on 15 October 2026 accepted the Notice of Award.

2. Details of the Proposed Spectrum Assignments

The Spectrum Assignments to be issued under Lot B comprises:

Frequency Band	Assignment Period
2x20MHz of the 2600MHz: 2540 MHz to 2560 MHz paired with 2660 MHz to 2680 MHz ("2600 MHz Frequency Band")	4 years
2x5MHz of the 900MHz: 880 MHz to 885 MHz paired with 925 MHz to 930 MHz ("900 MHz Frequency Band")	5 years

The Notice of Award does not constitute the issuance of the Spectrum Assignments to CDTel. The issuance of the Spectrum Assignments remains subject to the fulfilment of the conditions specified in the Notice of Award, the Applicant Information Package No. 1 of 2026 and the applicable regulatory processes and requirements under the relevant laws.

3. Price Component

Pursuant to the Notice of Award, CDTel paid the Price Component of RM381.75 million in full on 15 October 2026.

4. Source of Funding

The payment required under the Notice of Award was funded through a combination of internally generated funds and existing financing facilities.

5. Rationale

The proposed Spectrum Assignments are expected to strengthen the Group's spectrum portfolio and support the Group's network requirements in delivering mobile and connectivity services to its customers. In particular the assignments will:

- enhance network capacity and service quality to support growing customer demand;
- improve customer experience through better network performance, coverage and reliability;
- enable a contiguous 40MHz spectrum holding in the 2600MHz band, allowing for more efficient spectrum utilisation; and

- strengthen the Group's spectrum position in the 900MHz band to support wider and deeper coverage.

6. Financial Effects

The acceptance of the Notice of Award and the proposed Spectrum Assignments are not expected to have any material effect on the issued share capital and substantial shareholders' shareholdings of CelcomDigi.

The proposed Spectrum Assignments are expected to contribute positively to the Group's long-term operational requirements. The payment of the applicable Price Component and the annual spectrum fees will, however, have an impact on the earnings, net assets and cash flows of the Group over the respective assignment periods.

7. Interests of Directors, Major Shareholders and Persons Connected

None of the Directors, major shareholders of CelcomDigi and/or persons connected with them has any interest, direct or indirect, in the spectrum assignment other than through their respective interests in CelcomDigi, where applicable.

8. Directors' Statement

The Board, having considered all aspects of the Notice of Award, is of the opinion that the acceptance of the Notice of Award and the proposed Spectrum Assignments are in the best interests of CelcomDigi and its shareholders.

9. Further Announcement

The Company will make a further announcement to Bursa Malaysia Securities Berhad upon the issuance of the Spectrum Assignments to CDTel by the MCMC, where appropriate.

This announcement is dated 15 October 2026.
